

### JOB ROLE PROFILE

---

<b>Business:</b>	BATA Ltd
<b>Role:</b>	Transport & Planning Manager
<b>Job Type:</b>	Permanent
<b>Pay:</b>	£40,000 per annum
<b>Benefits:</b>	Company Pension, Employee Discount, Company Sick Pay, Company Events, Performance Related Annual Bonus
<b>Reporting to:</b>	Head of Logistics / Assistant Transport Coordinator
<b>Work Location:</b>	Jubilee Mill, Murton, York, YO19 5UT / Main Street, Amotherby, Malton, YO17 6TA
<b>Licence Requirements:</b>	Full UK Driving License

BATA Group supply animal feeds, fuel, and an extensive range of other goods and services including testing, storage, manufacturing, merchandising and distribution. Thompsons of York are an integral part of our business manufacturing feeds mainly for pigs and poultry.

We are seeking a detail-oriented and experienced Transport & planning Manager to lead our scheduling and planning initiatives at our Murton site. The ideal candidate will be responsible for developing and implementing innovative transport schedules that maximize efficiency and effectiveness in the movement of goods to our customers.

### Key Skills & Attributes

- Proven experience (3+ years) in transport planning with a focus on scheduling and logistics.
- Strong understanding of transportation systems, scheduling software, and data analysis tools.
- Excellent analytical and problem-solving skills, with a focus on optimizing transport schedules.
- Exceptional communication skills, with the ability to engage and influence diverse stakeholders.
- Ability to adapt to changing priorities and work under tight deadlines.

### Key Tasks

- **Scheduling Development:** Create and manage comprehensive transportation schedules, ensuring timely and efficient delivery of services while minimizing delays and disruptions.

- Ensure all outbound/Collections are on time and in full.
- Stakeholder Engagement: Collaborate with internal teams, Mill planning, Mill production and site loaders
- Team Leadership: Lead and mentor a team of Drivers and Loaders, promoting a culture of collaboration and continuous improvement.
- Work in partnership with the Mill production planners to ensure the best availability to fulfil customer orders.
- Foster a collaborative working relationship with customer service to enable the best possible availability to meet their order needs.
- Regulatory Compliance: Ensure all scheduling and planning activities comply with all driver regulations.
- Reporting: Prepare and present reports on Depot scheduling performance.
